

**Triad Technology Partners announces award of Blanket Purchase Agreement with Virginia Information Technologies Agency.**

**Bethesda, MD- January 30, 2012:** Triad Technology Partners, provider of Enterprise IT Service and Asset Management solutions and an authorized IBM reseller, announced today that it was awarded a “pre competed” Blanket Purchase Agreement (BPA) by the Commonwealth of Virginia’s Virginia Information Technologies Agency (VITA).

Under this BPA, Triad Technology Partners provides VITA with a contracting vehicle for all IBM software solutions, maintenance/support, and implementation services. This procurement vehicle offers customers favorable terms and conditions via Triad’s GSA Schedule. All customers who purchase via this approved contracting vehicle will realize discounted pricing, easy and efficient procurement, excellent customer support, and quick response times.

Any public bodies interested in utilizing this vehicle should contact **VITA Supply Chain Management**.  
**Contact: James MacKenzie, 804-416-6247 [james.mackenzie@vita.virginia.gov](mailto:james.mackenzie@vita.virginia.gov)**

Users of this vehicle shall abide by GSA regulations of procurement.
