

## **Triad Technology Partners to be a Technical Sponsor of ServiceNow Federal Government NowForum**

### **ServiceNow Preferred Services Partner to Deliver Session on Asset Management and Showcase Newly Developed Solutions to Enhance ServiceNow**

**BETHESDA, MD – October 29, 2013** - Triad Technology Partners (Triad), a leading provider of Cloud Solutions for Enterprise IT, today announced its plans to sponsor the ServiceNow NowForum, being held at the National Press Club in Washington, DC on October 30. As a ServiceNow Preferred Services Partner, Triad has been selected to present a session entitled, Implementing Asset Management, Why and How. In addition to the speaking opportunity, Triad will be available to meet with Public Sector customers to discuss services offerings including their customer-focused Agile Implementation Methodology (AIM) for ServiceNow.

A ServiceNow Preferred Services Partner, Triad enjoys a leadership position within the industry and has earned a reputation for being a customer-focused and results driven organization. Triad's recently released ServiceNow application extensions for Enhanced Work Management and Space Management will be featured at the forum.

“Triad is pleased to have been selected to present at the NowForum and we look forward to connecting with ServiceNow customers both through our Asset Management session and at our sponsorship table,” said Tim Hohman, CEO of Triad Technology Partners. “Our ServiceNow practice has experienced tremendous growth over the past year, largely due to the reputation of our team and their focus on implementing ITIL best practices for our clients. We are particularly excited to showcase our Space Management for ServiceNow out of our Triad Labs initiative. We continue to find opportunities to expand upon the powerful ServiceNow platform to benefit our customers.”

Triad Technology Partners looks forward to participating in the ServiceNow NowForum and connecting with many existing and potential customers.
