

## Triad Technology Partners, LLC Announces Silver Sponsorship of ServiceNow Knowledge13 Conference

**Authorized Services Partner with more than 50 successful ServiceNow projects to showcase customer-focused implementation methodology**

**BETHESDA, MD -- May 6, 2013** - Triad Technology Partners, a leading provider of Cloud Solutions for Enterprise IT, today announced plans to exhibit at the ServiceNow Knowledge13 user conference, being held in Las Vegas, NV on May 13-16, as a Silver Sponsor. Triad will be hosting a booth on the exhibit floor of the Aria Conference Center, showcasing their industry leading Agile Implementation (AIM) Methodology and providing attendees with information on affordable services delivery options as well as Remote Administration services.

Recently named an Authorized Services Partner by ServiceNow, Triad maintains a leadership position in the industry and has built a reputation for being a customer-focused and results-driven services provider for both Public Sector and Commercial customers.

“Our ServiceNow practice has experienced tremendous growth over the past year, largely due to the reputation of our services team and the methodology they developed in conjunction with our customers. The word-of-mouth support we’ve gotten from customers has been outstanding and we’re looking forward to connecting with many of them while at Knowledge to thank them for their partnership in 2012,” said Tim Hohman, CEO of Triad Technology Partners. “This is a great opportunity to celebrate another successful year with ServiceNow while learning about how we can continue to support our customers well into the future.”

Triad Technology Partners will be at **Booth #1510** in the Aria Exhibit Hall.
